

RULES

MANIPULATION

Printed and Digital Images may be manipulated, as the author feels appropriate. Images entered must be entirely the work of the photographer. Composite Images are permitted provided all component images meet this requirement. For the avoidance of doubt, use of images from any other source including, but not limited to, royalty free image banks, textures and clipart is not permitted.

PRINTS

Printed images should be fixed to a mount with a backing card and held firmly in place with mounting tape. Mounts should be no larger than 500x400mm (20x16ins), whilst prints should be no smaller than A5 - 210x148mm (8.2x5.8ins). Each print should have an appropriate title on the back of the mount in the top left corner. The competitor's name should not be written on the mount. Prints should be submitted along with an associated projected digital image sent by e-mail to bpscomps@gmail.com.

For prints, a box will be placed at the back of the hall on submission nights and all PDIs must be emailed by the deadline to the competition secretary at bpscomps@gmail.com

Division 1 - David Clark Trophy
Division 2 - Jim Snedden Shield

Each member is invited to submit a maximum of two Projected Digital Images (PDIs) for each of the four rounds, and a maximum of two mounted prints in rounds 2 and 4, (prints in Division 1 only). The higher mark in each round will count towards the member's overall score. The competition will be assessed in two groups, Division 1 and Division 2. Judges will be made aware of the division at which each image should be judged and will be asked to award marks accordingly. Two members and ties will be promoted and relegated each season.

For this season each member is invited to submit a triptych on a subject of their own choice. Members should submit 3 PDIs and a suggested arrangement of the images into a panel for assessment by the judge.
