

Mini Panel - Triptych

Submissions by 7pm, Tuesday 19th October 2021.

The panel should be made up of three images to be laid out in any way you choose. Let me know if you need any help with this.

The images should be sized in the same way as they would for other competitions ie -

1600 x 1200 pixels maximum landscape.

1200 pixels maximum height portrait.

1200 pixels maximum square.

Please name your jpeg images with a title and send your entries in to bpscomps@gmail.com

The judge will be provided with your three images and the final triptych as a fourth image.

The judge will be Chris Bell from Deeside Camera Club, and the judging will be on the 16th November. David will provide his expert comments, no marks, and pick his top three panels.

Beryl Woodger's winning Triptych last year, Yellow Tulip.

The South Esk Trophy will be awarded for the best Mini Panel.
