

Competition Entries to Brechin Photographic Society – Information Leaflet 2018/19 Season

Some competitions require the submission of PDI (Projection Digital Images) only, and this is specified on the programme. Others require the submission of physical prints – but we also require PDIs for making up the slideshow for the judging night. The PDIs should match the prints accurately.

PDIs (Projection Digital Images)

These must be in jpeg format, and should be resized to no more than 1600 pixels wide and 1200 pixels high.

The filename you choose should identify the title of the image clearly. Ideally, submission should be done using the form on the website, but alternatively they can be emailed to bpscomps@gmail.com

Prints

Printing can either be done at home or using a commercial printer. There are various options for the latter ranging in price and quality, from high street chemists and supermarkets, to dedicated experts – if you want advice on the best option for you, please ask, there is a wealth of experience in printing within the club.

Prints should be larger than A5 sized - 148 x 210mm or 5.8 x 8.3 inches, and should fit on a mount no larger than 400 x 500mm or 15.7 x 19.7 inches.

Mounting Prints - printed Images should be fixed to a mount, held firmly in place with mounting tape or similar. There are several ways to do this. Photos can simply be mounted (glued or using double sided-taped) on top of a mount, or the mount can be cut with a window and the print mounted behind it with tape.

The overall size of the mount should not exceed 400 x 500mm or 15.7 x 19.7 inches.

Pre-cut mounts and mounting board can be bought from any decent art store (Hobbycraft or Cass Art sell A1 sheets for about £3 each, which will provide up to 4 mounts) or from many online sellers.

Prints should include the title of the image on the back (ideally in the top left corner) – this can be on a piece of tape or in pencil if you want to re-use the mount later, but should be clear. **Your name should be included on a separate sheet or on a piece of removable tape**, so that the judge can be given the images anonymously – please don't write your name directly onto the mount.

Submission

Prints should be handed in on or before the deadline at the club. A box will be provided at the back of the room for this.

PDIs should be submitted via the website form, or alternatively emailed to the competition secretary at bpscomps@gmail.com, and should arrive by midnight on the deadline.
